*INTRO2. Privacy & Technology*

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*A recent study by the National Institute of Standards and Technology found that the majority of facial recognition technology programs exhibited disproportionate rates of error when analyzing the faces of women and people of color. In 2018, the ACLU tested Amazon's facial recognition technology software by running the photographs of sitting members of Congress against an arrest database. Twenty-eight false matches came*

back, including those of six Congressional Black Caucus members. Multiple jurisdictions across the U.S. have instituted bans and/or moratoriums on government use of this technology.

Q2a. Please write any comments you might have in the box provided below.

No one should be able to take advantage of a person's facial 'map' for identification without their permission, especially private entities.

Q3a. Please write any comments you might have in the box provided below.

Video footage has championed awareness and convictions in police brutality and violations of people's legal and human during encounters with law enforcement.

**INTRO4. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law allows law enforcement to seize—and keep—personal property without ever charging the property owner with a crime. This is done through a process called civil asset forfeiture. The Legislature passed—and Governor Ige vetoed—a bill in 2019 reforming Hawaii's civil asset forfeiture law by prohibiting civil asset forfeiture except where the property owner had been convicted of a felony connected to that piece of property.*

**Q4. Do you support this reform?**

Yes

No

Prefer not to answer

Q4a. Please write any comments you might have in the box provided below.

Any retention of personal property by law enforcement without a charge of a crime is theft.

**INTRO5.**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law provides special protections for the disclosure of police disciplinary records.*

**Q5. Do you support legislation repealing such special protections and disclosing the disciplinary records of all law enforcement officers in Hawai'i?**

Yes

No

Prefer not to answer

Q5a. Please write any comments you might have in the box provided below.

Transparency is paramount to preventing and holding law enforcement accountable for their negative actions.

INTRO6.

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*The Legislature passed a law establishing a Law Enforcement Standards Board in 2018. To date, this board has met on two occasions and has not set any standards for law enforcement.*

**Q6. Do you support legislation to strengthen the board's independence, increase citizen oversight, set deadlines, and provide the board additional resources?**

Yes

No

Prefer not to answer

Q6a. Please write any comments you might have in the box provided below.

**INTRO7. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE THREE QUESTIONS THAT FOLLOW**

*Evidence shows that school suspensions and school-based arrests lead to further contacts with the juvenile justice system and adult criminal legal system, as well as higher dropout rates and lower academic performance. Currently, students are being suspended for up to 92 days—over half of the school year—for even smelling like cannabis.*

**Q7. Do you support further limiting the number of days that schools can suspend students?**

Yes

No

Prefer not to answer

Q7a. Please write any comments you might have in the box provided below.

Yes. Healthy and progressive alternatives must be identified, established, and utilized. Programs that engage and empower students on the land and in the community are ideal.

**Q8. Do you support ending the use of school resource officers (i.e., police officers permanently placed in certain schools)?**

Yes

No

Prefer not to answer

Q8a. Please write any comments you might have in the box provided below.

Police presence is detrimental to the mental health associations of students in schools.

Q9. Do you support eliminating status offenses for youth, such as truancy?

Yes

No

Prefer not to answer

Q9a. Please write any comments you might have in the box provided below.

Documented offenses on youth criminal records hinder their ability to gain meaningful employment and acceptance into schools. Especially in cases where students become better participating citizens, their inability to move forward in life due to past choices (as a child) can lead to regression and be detrimental to their ability to contribute meaningfully to their communities.

#### INTRO8. Economic Justice

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Only seventeen percent of workers nationwide have access through their employers to paid family leave to care for and/or bond with a new child, or to care for a sick or injured family member. The availability of paid family leave has been shown to increase workers' loyalty to employers, decrease employee turnover, and has been linked to decreased infant mortality rates and decreased reliance on public assistance. Eight states and Washington D.C. have passed laws that guarantee paid family leave to workers. In December 2019, Congress passed and President Trump signed the Federal Employee Paid Leave Act extending 12 weeks of paid parental leave to most federal employees.*

Q10. Do you support legislation to guarantee 12 weeks of paid family leave to Hawaii's workers through the establishment of a social insurance program?

Yes

No

Prefer not to answer

Q10a. Please write any comments you might have in the box provided below.

Quality time with family and especially to recover from the experience of child birth is critical to the happiness and health of our communities.

*INTRO9.*

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law does not guarantee any paid, short-term sick leave to workers.*

**Q11. Do you support legislation to guarantee paid sick days to Hawaii's workers?**

Yes

No

Prefer not to answer

**Q11a.** Please write any comments you might have in the box provided below.

Paid sick days to Hawai'i's workers will help reduce the spread of disease and decrease overall sickness in workplaces.

*INTRO10.*

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Half of Hawaii's families cannot afford to meet basic needs. A recent study found that four in ten adults do not have access to \$400 at any given time, making them one emergency—or court-ordered fine—away from financial ruin. Studies have found that scaling fines based on affordability increases the likelihood that fines will be paid in full and increases revenue.*

**Q12. Do you support legislation that would require courts to scale fines based on an individual's income?**

Yes

No

Prefer not to answer

**Q12a.** Please write any comments you might have in the box provided below.

Fining an already financially struggling community results in demoralization and negative domino affects. Scaling the fines based on affordability will help keep the people accountable while protecting against further depreciation of the community as a whole.

**INTRO11. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*State law punishes nonpayment of traffic and parking tickets by placing a “stopper” on a person’s driving or vehicle record that prevents them from renewing or obtaining a driver’s license or vehicle registration until they’ve paid the ticket in full, plus a 21% fee assessed by the state’s contracted, Texas-based collection agency. Those who cannot afford their ticket and therefore cannot renew their license may be forced to choose between driving without a valid license (a traffic crime punishable by up to a \$1,000 fine or up to one year in jail) and losing their job or taking their child to the doctor. In recent years, several jurisdictions have either moved away from or completely stopped suspending licenses for nonpayment of traffic and parking tickets. In Hawai’i, there are approximately 350,000 outstanding license and registration stoppers.*

**Q13. Do you support legislation that would end the use of “stoppers” for nonpayment of traffic and parking fines?**

Yes                      No                      Prefer not to answer

                                          

Q13a. Please write any comments you might have in the box provided below.

"Stopping" someone from going to work to pay their bills including fines, makes no common sense.

**Q14. Would you support a traffic ticket amnesty program to ease the economic burden that traffic tickets place on the working class in Hawai’i?**

Yes                      No                      Prefer not to answer

                                          

Q14a. Please write any comments you might have in the box provided below.

**INTRO12. Criminal Law Reform**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*Under Hawai’i law, it is a felony to possess any amount of a drug that has been classified as dangerous, which is essentially every drug except cannabis. Even the possession of small amounts is punishable by up to five years in prison and a \$10,000 fine.*

**Q15. Do you support legislation decriminalizing possession of small amounts of dangerous drugs, and reinvesting the savings in effective, community-based drug treatment?**

Yes

No

Prefer not to answer

Q15a. Please write any comments you might have in the box provided below.

Programs not jails.

**Q16. Do you think substance use should be treated as a matter of public health?**

Yes

No

Prefer not to answer

Q16a. Please write any comments you might have in the box provided below.

What affects one, affects us all. Drugs is a prime example. The burden of drug addiction has numerous affects. The need for drugs results in theft of property and other crimes which affects the community. The result of negative actions done by users onto victims affects the community. It is absolutely a matter of public health.

**INTRO13. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Prosecutors are possibly the most influential player in the criminal legal system, yet there is little publicly-available information about how prosecutorial decisions are made.*

**Q17. Do you support legislation to promote transparency in county prosecutors' offices by requiring increased data tracking and disclosure?**

Yes

No

Prefer not to answer

Q17a. Please write any comments you might have in the box provided below.

**INTRO14. PLEASE ANSWER THE FOLLOWING THREE QUESTIONS**

- Yes                      No                      Prefer not to answer
- 

Q18a. Please write any comments you might have in the box provided below.

**Q19. Do you support measures to decrease barriers to employment for formerly incarcerated individuals?**

- 

Q20a. Please write any comments you might have in the box provided below.

INTRO15. Houselessness

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE THREE QUESTIONS THAT FOLLOW**

*Hawai'i has one of the highest houselessness rates in the country. The number of unsheltered people has exploded in the past decade even though we have had low unemployment and a relatively strong economy. With COVID-19's harm to the Hawai'i economy, the number of people experiencing houselessness is likely to grow.*

Q21.

**What do you believe is working and is not working about Hawaii's approach to houselessness?**

Please explain your thinking in the space below.

Hawai'i does not have a plan for homelessness. In addition to that, the system enforces clean sweeps that move an already vulnerable population around, causing further trauma at each event. According to the Law of the Splintered Paddle - their ability to lay their heads safely by the road is protected. The state needs to provide green spaces and programs to prepare and propel homeless people into healthy, productive lives.

Q22.

**Do you support legislation establishing a homeless bill of rights?**

Yes

No

Prefer not to answer

Q22a. Please write any comments you might have in the box provided below.

Q23.

**How do you plan to address houselessness in Hawai'i in the short, medium, and long term?**

Please explain your thinking in the space below.

I plan to address the immediate need to discontinue clean sweeps. We must then establish safe spaces that homeless can rest, be safe, and get hygiene, and programs, and location assistance. Medium term needs will be addressed by assessing funding availability for homeless transitional housing, job placement, and health programs. Getting feedback from communities during this time will assist in preparing the long term plan. The long term plan is to bring down the high cost of living, create affordable housing, and ensure educational programs for youth to engage and prepare for financial stability in a modern Hawaii.
